SUMMARY

Two military installations are located within the walls of the Gorkiy Kremlin. Gorkiy Headquarters Barracks and School Kremlin

is located in the southern part of the Kremlin, and an adjoining associated barracks area

is located in the northern section (Figure 1). The current military significance of these installations is undetermined.

Gorkiy Headquarters Barracks and School Kremlin covers approximately 24 acres and contains 1 classroom building, 1 administration

building, 3 barracks, 1 storage/maintenance building, and 11 support buildings. The associated barracks area covers approximately 20 acres and contains 1 administration building, 3 barracks, and 1 support building (Figures 2 and 3).

The installations were covered on TALENT photography and KEYHOLE missions

There has been no change at either installation; a light level of activity is evident on all coverage.
